THE BIZ BOX: Abbott Agency celebrates 50 years

(Oct. 22, 2009)

By Alexis Tarrazi

WHO: William S. Abbott opened up shop in Lyndhurst in 1959 offering insurance and real estate to local residents. Passing from father to son, William J. Abbott now runs the show in the family owned- and - operated Abbott Insurance Agency, which has expanded in services and locations.

WHAT: Fifty years later Abbott Insurance is still going strong with an added location on Bloomfield and more services including home, automobile, commercial liability and commercial automobile insurance. As an independent company, Abbott is able to offer the lowest rates to customers versus a chain company that can't shop around. "I consider myself working for the insurer versus working for the company," William said.
