- Disconnect all utility lines such as power cords and water lines.
 - Take in all dock lines and fenders (protective devices used between the boat and other objects) except for those you will use in leaving the dock.
 - Instruct passengers and crew to keep hands, arms, etc., inside the boat.
 - Sound proper whistle (horn) signals.
 - After clearing the dock area, take in all lines and fenders and keep them clear of the propeller.
- Keep a lookout at all times for other boats, persons, and objects in the water.
 - Keep a watch for low overhead wires.
 - Proceed slowly whenever leaving or returning to a dock.
 - Use just enough power to maintain control.

DEPARTURE CHECKLIST

The Coast Guard Foundation supports the men and women of the United States Coast Guard who protect America's shores and save lives at sea.

Learn more about our mission and find out how you can help at www.coastguardfoundation.org.

This guide covers only basic boating elements and does not guarantee the safety of your vessel or its passengers. Please refer to the U.S. Coast Guard for further safety guidelines and requirements for recreational boats.
